Exception G

☒ It is an undistinguished example of a common building type
or architectural style

☐ Its integrity is compromised by alterations or deterioration

☒ Its historic setting has been compromised by development

☐ Other (explain): _____

Description:

The Winston Henson Property is a 1½-story, 3-bay side-gable cottage on the west side of New Hampshire Avenue in the Colesville vicinity, Montgomery County. Constructed in 1948, the building has a 1-story, side-gable addition which projects from the south, or side elevation.

The structure has a side-gable, asphalt shingle roof with two, front-gable dormers on the front elevation and a shed roof dormer on the rear elevation. It is of brick construction with two exterior brick chimneys, one on the south elevation of the original section of the house and one on the south elevation of the side addition. The structure has a brick foundation and vinyl replacement windows with 1/1 sash.

There is one outbuilding associated with this building. The structure is a 2-bay, front-gable garage with a shed roof addition which projects to the east. The structure is wood frame with vinyl siding and the addition has a chimney which is clad in siding. The structure is located southwest of the house.

The property is located on the west side of New Hampshire Avenue and the north side of Piping Rock Drive, with residential structures on all adjacent properties. The property's setting is altered, due to its proximity to New Hampshire Avenue, which has a high traffic volume and is currently being widened.
